

# 17<sup>th</sup> ITS Symposium 2019

## 12-13 December, 2019

### Ishikawa Industrial Promotion Center

# Call for Papers

The Program Committee invites ITS researchers and practitioners to submit a paper to be considered for presentation and publication at the 17<sup>th</sup> ITS Symposium. The Committee offers two options, submitting a full paper or submitting an abstract. Full papers will go through the journal's standard peer-review process and, if accepted for publication, will be included in *\*International Journal of Intelligent Transportation Systems Research (IJIT)*.

\* *International Journal of Intelligent Transportation Systems Research* is a subscription-based electronic publication, available on the SpringerLink. The journal aims to provide a multi-disciplinary forum for ITS researchers and specialists to release the latest research developments. It serves as the global platform to furnish the subscribers with the up-to-date technologies and innovative solutions in ITS. See: <http://www.springer.com/engineering/electronics/journal/13177>
