Opening Ceremony

In the well-established tradition of the ITS World Congresses, this year's event will bring all the delegates together at the Tokyo International Forum to celebrate the opening of the Congress with many prominent figures from all over the world. The highlight includes the "Hall of Fame" and two other awards newly implemented from this congress. In addition, the ceremony includes the Japanese traditional Yosakoi dance and energetic Japanese drum performance. After the Opening Ceremony, the participants are escorted to the welcome reception for networking and catching up the friendship.
